

Order deletion

By clicking the *Delete order* button in the Order Details view, the order deletion process can be initiated.

First, the Order Deletion view is displayed as shown below:

The screenshot shows a web interface for deleting an order. At the top left, the order ID 'UBL-RO-24' is displayed with the status 'Confirmed with changes'. To the right, there is a navigation bar with icons for home, back, forward, refresh, and currency. Below this, the heading 'Delete order' is visible. The main area contains a large text input field labeled 'Reason *' with a character count '0 / 250' at the bottom right. At the bottom of the form, there are two buttons: 'Cancel' on the left and 'Confirm deletion' on the right.

To complete the order deletion, a reason for deletion must be provided, followed by clicking the Confirm Deletion button. After a successful deletion, the Orders Overview is displayed.

The deletion can be cancelled by clicking the *Cancel* button.
